Notes

For components submitted for marking to Impaq in Term 4:

The marks on this report reflect all mark sheets and answer sheets received before 25 November 2019. Marks received after this date will only be processed in the first term of 2020.

General:

Facilitators and centres may continue to capture outstanding marks on my.Impaq and access updated progress reports to check whether all the required marks have been submitted and captured.

Please note: Final reports will only be issued by Impaq once marks are confirmed as complete and accurate by the facilitator or centre concerned on my.Impaq.

The results indicate only the achieved percentage of the individual portfolio component.

The results on this report are still subject to external moderation and may change due to moderation.

Definitions:

Mark: This is the percentage mark achieved for the individual component.

Weight: This is the percentage a component contributes towards the total mark for the subject per year. The sum of all the weights per subject is equal to 100%.

%Contribution: The weighted mark is equal to the Mark x Weight. The sum of all the weighted marks is equal to the final mark achieved for the subject.
